# Community of practice

- \* Based on Wenger- educational theorist  
“Communities of practice are formed by people who engage in a process of collective learning in a shared domain of human endeavor.”
- \* 1990's
- \* Intentional
- \* Level of commitment
- \* Shared competence within the group
- \* Group learns from each other
- \* Relationships are built and deepened through sharing ideas, discussing topics, helping each other

# Goals and criteria

- \* "Members of a community of practice are practitioners. They develop shared repertoire of resources: experiences, stories, tools, ways a of addressing recurring problems-in short a shared practice. This takes time and sustained interaction."
