

# Teaching Research Methods: Assessing the State of the Field of Research

Meaghan Dougherty, Douglas College  
Becky Cox, Simon Fraser University  
Gillian Judson, Simon Fraser University

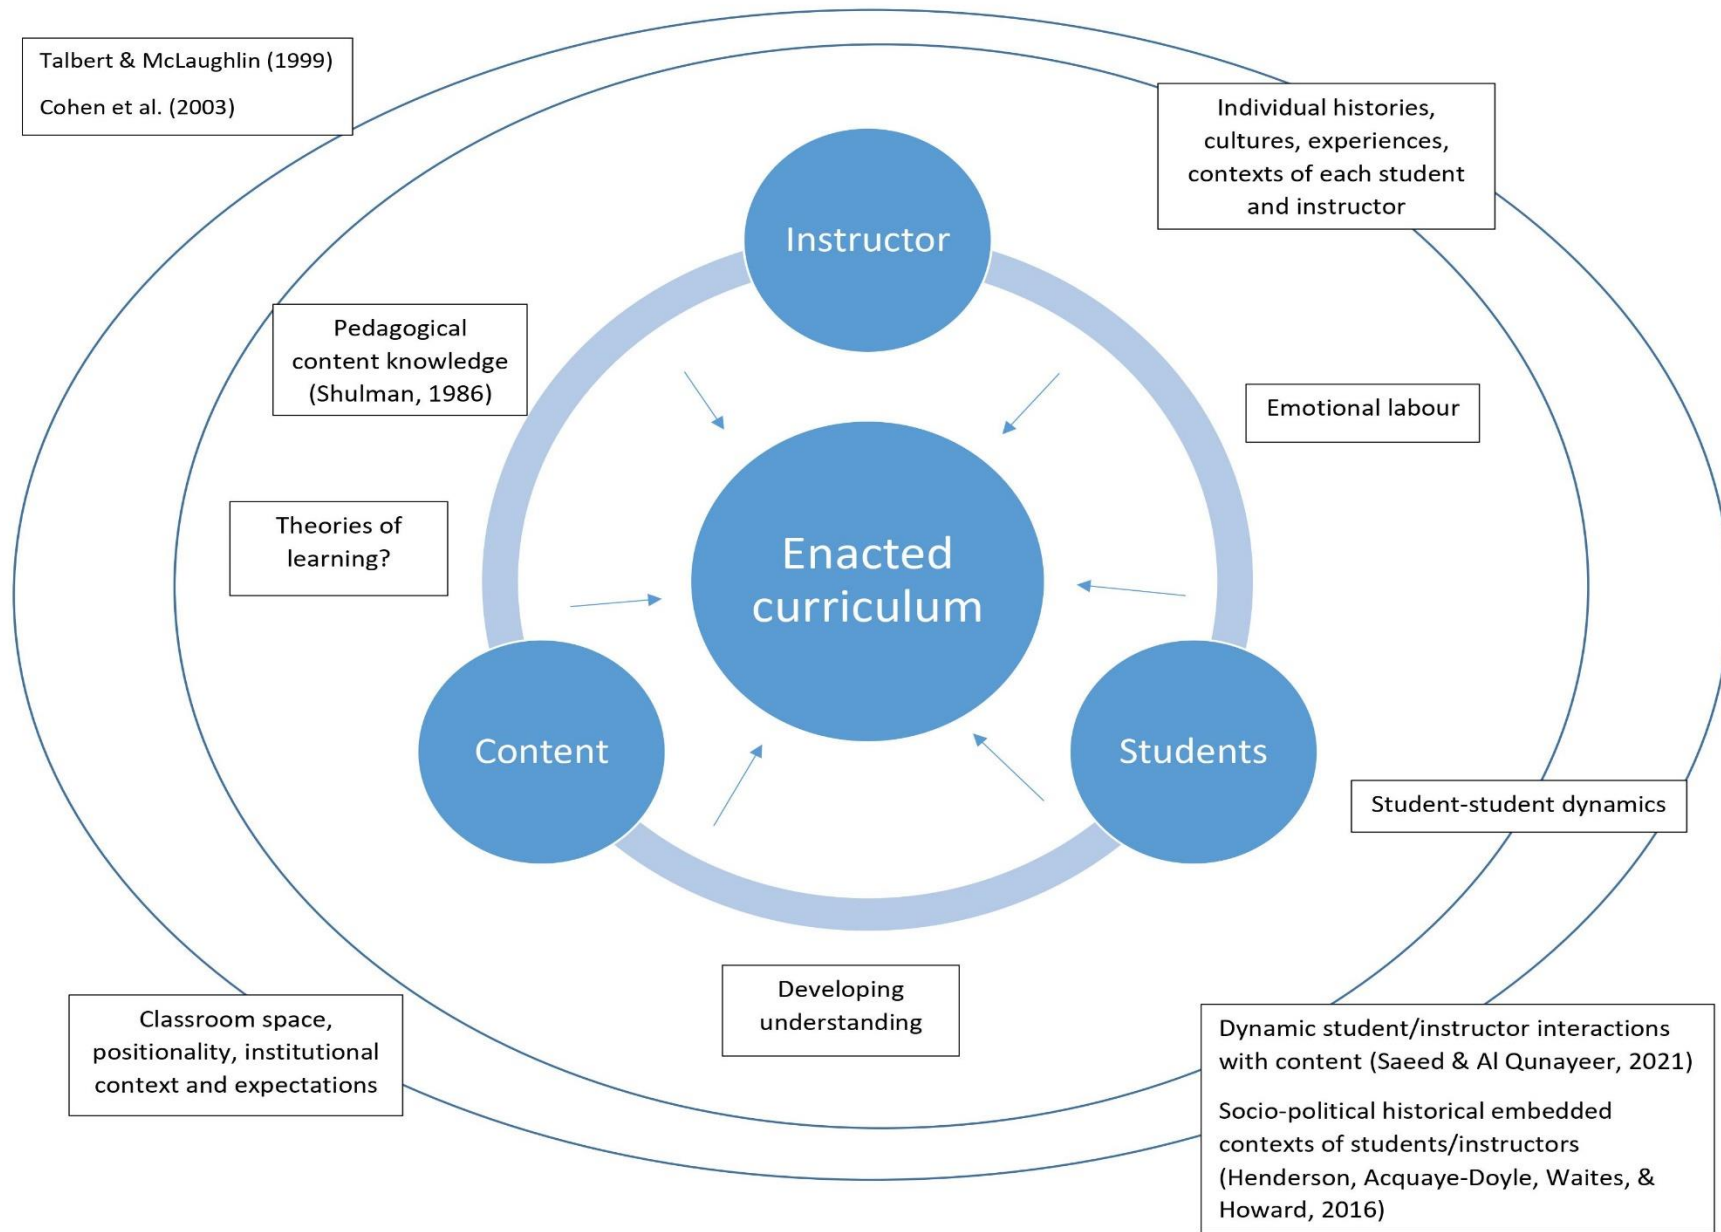

**AERA 2022**

Lattuca (2021) – need for integrative inquiry

# What could research involve?

- Assessing intended curriculum in context of enacted curriculum
- Measuring student learning accounting for relational processes and contexts within which learning occurs
- Exploring relational aspects that produce enacted curriculum and influence learning
- Identify threshold concepts
